YOUR  
SUCCESS  
IS OUR  
SUCCESS!

## Dear Oakwood Students, Faculty, and Staff!

**W**elcome to an amazing week filled with activities to prepare students for gainful employment in the 21<sup>st</sup> century! This week begins with a Launch Party filled with fun, food, and giveaways. Throughout the week there will be exciting workshops, a fashion show featuring business couture, and even our own version of Oakwood's Got Talent which is an interview competition for students. Students will gain mastery

in business etiquette, resume writing, and interviewing. I extend my heartfelt appreciation to the Career Connection Center staff for the many weeks of hard work and insight that went into planning this special week. In addition, I encourage faculty and staff to promote Career Week in the classrooms, residence halls, and every one of our student spaces. Join us as we are reinventing career services made possible through our UNCF Career Pathways Grant. And remember, student success during and after matriculation is a shared responsibility.

Greetings again to our CareerLIFE supporters, our business community, and to each of our University vendors.

Sincerely,

A handwritten signature in blue ink that reads "Leslie M. Pollard". The signature is fluid and cursive, with the last name "Pollard" being more prominent.
