Remarks from the President of Oakwood University

Since its founding on November 16, 1896, by the Seventh-Day Adventist Church, Oakwood University has prepared students for service to local, national, and international communities. Standing as one of the historical landmarks in the city of Huntsville, Alabama. Oakwood University enjoys a beautiful natural setting on 1,185 acres of choice real estate. Approximately 105 acres comprise the campus, with another 500 acres under cultivation. Oakwood University is committed to the spiritual nurture and character development of each student with the goal of developing servant leaders. Beginning with only 16 students, Oakwood originally existed to provide, on the basis of Seventh-day Adventist beliefs and worldview, a wholistic Christian education for who were then called “colored students.” Today, Oakwood reflects a diverse geographical, cultural, educational, and socioeconomic environment. And yet, the original purpose continues. Oakwood University specializes in the delivery of biblically based transformational Christian education. Today, approximately, 1636 students from more than 23 countries attend Oakwood. They can select from 51 undergraduate degree programs, as well as a Master of Arts in Pastoral Studies. The liberal arts curriculum is taught in a Christ-centered learning environment that is designed to prepare students to serve God and humanity in a variety of positions and careers.

The Oakwood University Strategic Plan for 2017-2022 reflects our vision of transformational education. The plan includes the input of a wide variety of participants, beginning with the historic Strategic Actioning Session (SAS) of September 19-21, 2012. This planning session brought together a cross-section of Board members, administrators, alumni, faculty, staff, students, and community leaders tasked with the mission of recreating Oakwood for the 21st century. The implementation of recommendations from that historic session formed the basis from which we continue to envision Oakwood’s future. This resulting document includes many of the “game changing” initiatives which will strengthen and expand the mission of the institution. The goal of this plan is to maximize and deepen the famous “Oakwood experience” by making improvements at the University which will enhance, not simply the four years of a student’s Oakwood educational journey, by the 40-plus years of their service life.

For nearly 125 years, Oakwood University has been blessed with a number of historic strengths that have provided the foundation upon which its mission is built. The University constituency of alumni, churches, conferences, and supporters stand as advocates for and benefactors of Oakwood. Focused on the mission of our institution, these loyal supporters contribute both faith and finances. Oakwood’s unique brand of spirituality, with its passion and substance, reflects another strength of the institution. This spirituality is reflected in the spiritual strength of the institution. This spirituality is reflected in the spiritual strength of our faculty, staff, and students. The internationally acclaimed music of Oakwood reflects the “Oakwood experience” which continues to provide a lifelong blessing to our graduates. A diverse student body, a lifelong “family” ambiance, a dedicated alumni, a highly accomplished faculty, a caring and dedicated staff and a committed Board of Trustees combine to make Oakwood a compelling and attractive place to study. Fiscal stability as well as a growing base of philanthropy provide strengths upon which Oakwood’s “God First” commitment guides the institution.
