

INTERNATIONAL ADMISSIONS AFFIDAVIT OF FINANCIAL SUPPORT INSTRUCTIONS

GENERAL INFORMATION

Purpose of the Affidavit: Colleges and universities in the United States are required by the U.S. Immigration and Naturalization Service (INS) to have documentary proof of adequate financial support before a Certificate of Eligibility (I-20) is issued. The I-20 is used to obtain a visa for entrance into this country or for a transfer from another U.S. college or university. Proof must be shown that funds are available to cover your expenses while in the U.S. for the first academic year.

WARNING: Providing false information may jeopardize a student's visa status. Furthermore, the institution may revoke its initial decision to enroll the student.

Privately sponsored students: Proper completion and submission of the attached Affidavit are required (see instructions for the affidavit below). An Affidavit of Support Form (I-134) must be submitted instead of this Affidavit if the sponsor is a permanent or U.S. citizen. If more than one person will be providing funds, each sponsor will need to complete a separate Affidavit. Remember to attach the letters from the bank and the sponsor's employer to the Affidavit.

Important notes and requirements regarding official financial documentation:

- Official and original documents must be provided
- All documents must be in English and figures in equivalent U.S. dollars.
- All supporting documentation must be dated within one year of initial enrollment at Oakwood University.

If you are a transfer student, attach a copy of the I-20 from the last U.S. institution attended.

INSTRUCTIONS FOR COMPLETING THE AFFIDAVIT OF FINANCIAL SUPPORT

The student must receive an acceptance letter before an I-20 is submitted.

Also, a \$1,200 U.S. Personal Surety Deposit is required.

This section must be confirmed by the official in the section of the affidavit entitled "Certification by an Authorized Official."
4. Supporting evidence of financial resources must be attached to the Affidavit. An original letter on official stationery is required from a bank or other financial institution. The letter must show the sponsor's savings deposit, certificates of deposit, money market certificates or other types of accounts containing readily available funds. Information provided by the bank should state (1) date account(s) opened, (2) total deposited for the past year, and (3) amount of funds in the account(s).
