RE: DEATH OF AN OAKWOOD UNIVERSITY STUDENT

It is with deep sadness that we report that an Oakwood University student was killed on Sunday evening, September 16, 2018, at approximately 11:00 pm at an off-campus location. The details behind the incident are still under investigation by Huntsville and Oakwood University Police Departments, for this reason, we are not able to provide any more information.

One of the highest priorities of the administration is the safety of all students, faculty, staff, and visitors. Our police department works around the clock to assure that our campus remains one of the safest university campuses.

Out of respect for the family's privacy, we will not be releasing the student's name to the public. Counselors and chaplains will be available at Wade Hall's multipurpose room to assist in grief counseling for the campus community.

Please keep the student's family in your thoughts and prayer as well as the entire Oakwood University community.
